**ROAD TRIP, FLORIDA, OCEAN,
DISNEY, NEW FRIENDSHIPS,
INTERNATIONAL, MISSION**

**We're taking a road trip
and we'd love for you to join us!**

If you're interested in building new friendships, living out your faith, and learning about other cultures, join IFI as we travel south with students from all over the world. We'll drive to Florida and enjoy the sun, beaches, a service project and an (optional) day trip to Disney or Universal Studios. Most importantly, we will be welcoming, befriending and sharing our lives with the international students God has brought to CLE. Will you join us?

SPRING ROAD TRIP '21

Each year hundreds of new international students from unreached communities arrive in Cleveland. They've come for a great education, but they've come for more than that—they're eager to try new experiences. Our prayer is that while they're here, they will "taste and see that God is good." Would you join us in welcoming, serving, befriending and sharing the beauty the Christ with them?

Who we're seeking to join us March 10th-16th:

We're eager to form a core team of believers on this spring trip to shape the culture and relational atmosphere. We want to set the mood, creating a culture of kindness, respect, fun and Godward conversation while avoiding some of the pit-falls associated with spring break adventures.

We're specifically praying for 3 to 5 Christian men and/or women, ideally between the ages of 18-35 (or with a heart for college students). These individuals should possess a desire to live out their faith in relationally natural ways and enjoy travel. It will be a physically and emotionally challenging trip but hopefully life changing for all!

Trip Details:

May 10th: Depart Cleveland, stop at halfway point for touring and hotel

May 11th: Arrive at YMCA camp in Florida. Enjoy three days in Florida including a trip to Disney, the Atlantic Ocean and a service project.

May 15th: Depart Florida, stop at halfway point for touring and hotel

May 16th: Arrive back in Cleveland

Cost:

We are asking each volunteer to contribute \$100 towards the cost of this trip. This does not include a ticket to Disney (optional). You may contribute the \$100 yourself or seek to raise support from other believers that desire to see international students engaged with the gospel. This trip is about serving. This may be a vacation for internationals, but it is a vocation (calling) for believers who join us. PLEASE do not let the cost prevent you from contacting us about the trip.

Next Steps:

If you're interested, we recommend the following:

- 1) Chat with your pastor or a mature believer who knows you well to see if they think this would be a good fit for you.
- 2) Email Jonathan at j.putnam@ifiusa.org so we can begin praying for you and answer any questions.

We are hoping to have a team established by April 10th. Once the team is formed, we will plan to meet to pray, plan and prepare for the trip.
